

# Health

**Twubakane Program Goal:**  
Increasing access to and quality/use of family health services in health facilities and communities by strengthening the capacity of local governments and communities in 12 districts of Rwanda

## National Health Sector Support

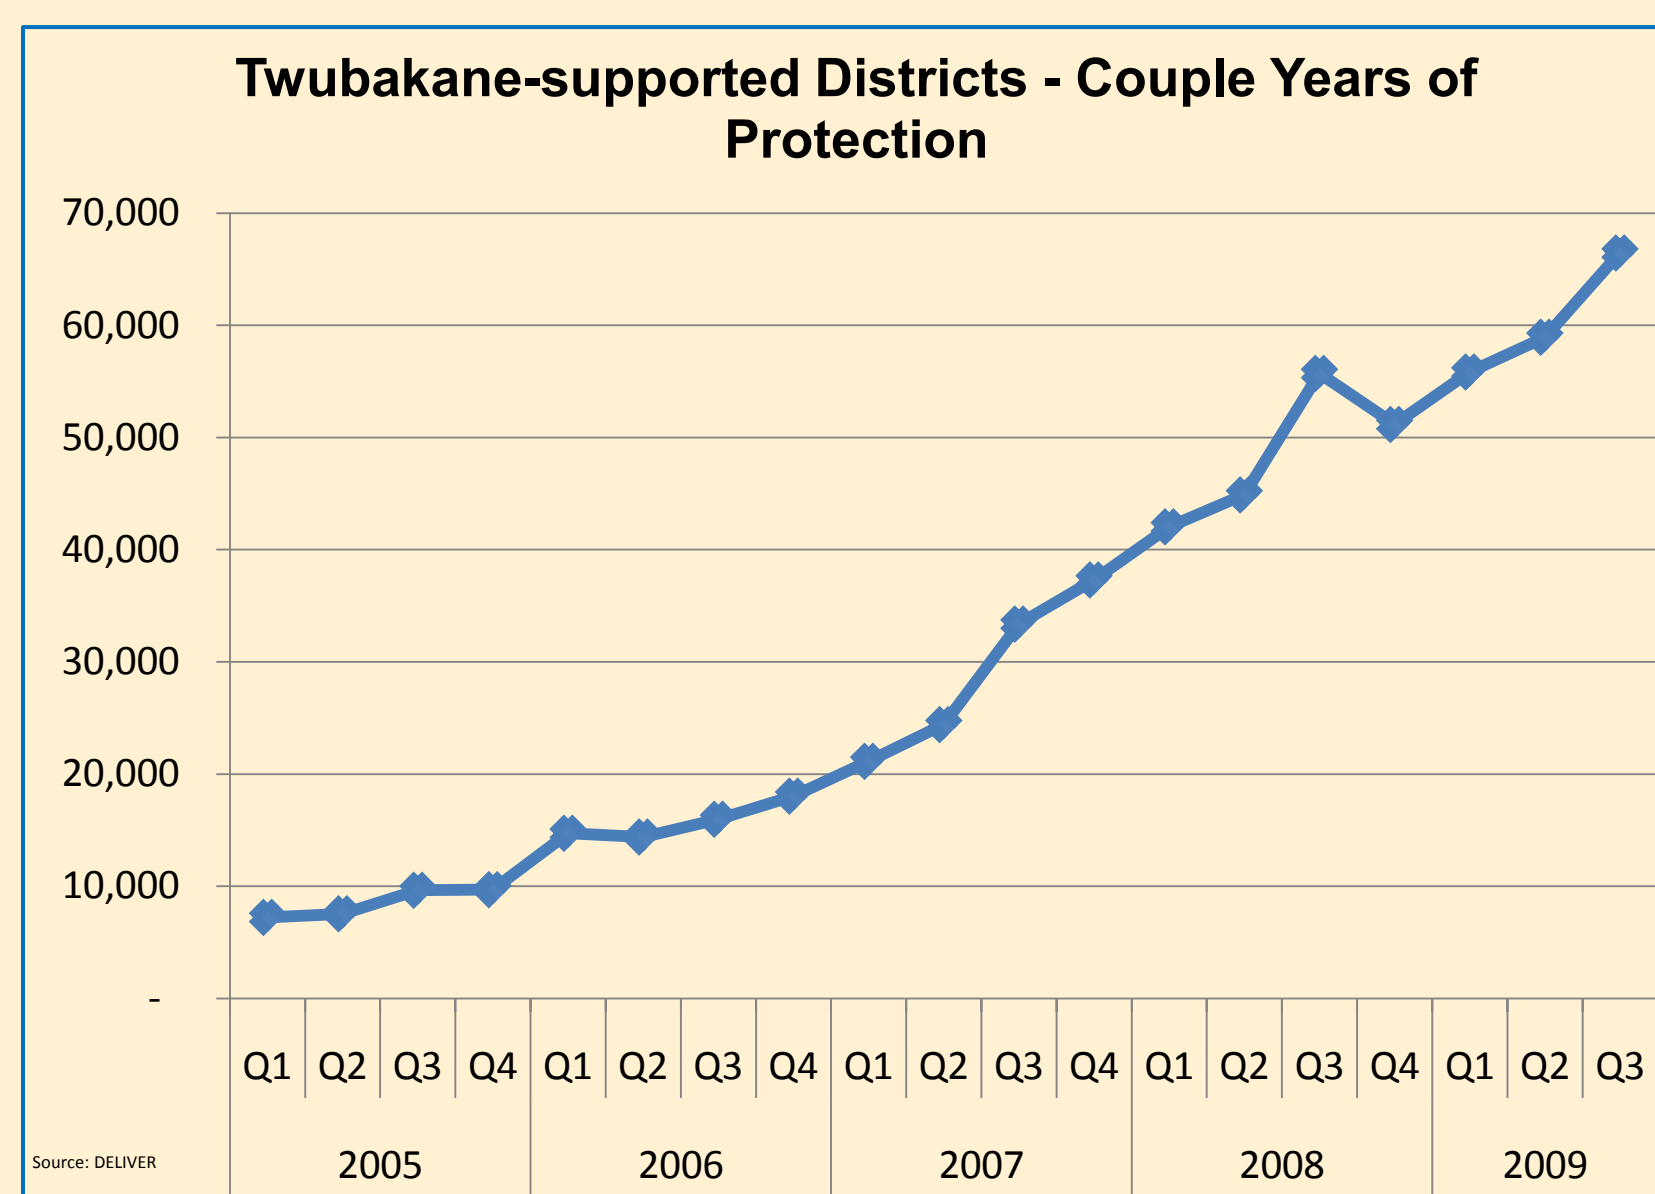

Supported MINISANTE, in collaboration with other partners, in the development of policies, strategies and materials for:

- ✓ family planning
- ✓ safe motherhood
- ✓ gender-based violence prevention & response
- ✓ integrated management of childhood illness
- ✓ nutrition
- ✓ community-based nutrition
- ✓ health facility management
- ✓ *mutuelles*
- ✓ health financing
- ✓ community health
- ✓ quality assurance
- ✓ health sector reform.
