District's Incentive Fund Helps *Mutuelles*

With his district's 2007 DIF grant, Aimable Siborurema of the Msebeya Sector, was able to add passion fruit to his field. His harvest allowed him to pay for *mutuelle* cards for him and his family.

Another stakeholder in the passion fruit initiative, Jeanine Uwumahoro, said, “Since we harvested the passion fruit, we have been able to pay for the *mutuelle* card for five members of our family. We have even been able to have a savings account at the Banque Populaire of Myseheya.”
